

**ATTENTION HOMEOWNERS/RESIDENTS** of Groveland Township who reside in the unincorporated areas of Groveland Township that are serviced by any of these three Fire Boards . . . Gardena (serviced by East Peoria Fire Department), Groveland (serviced by Morton Fire District) and Central Groveland Fire Protection (serviced by North Pekin Fire district) . . .

With two recent resignations, each Fire Protection District only has two trustees. If these boards continue to run with only two trustees, your fire protection could be in jeopardy.

If there are ANY interested parties PLEASE send a letter of interest to the Township Board, PO Box 217, Groveland, IL. 61535. Unfortunately, by living in an unincorporated area, these duties fall on the individual home/business owners. Not only will your fire protection be in jeopardy, but your Homeowners' Insurance will also be in jeopardy of a substantial increase.

**PLEASE CONSIDER BEING A TRUSTEE  
IN YOUR FIRE PROTECTION DISTRICT**
